

ASD PROFILE of a LEARNER

The “ASD Profile of a Learner” are the future-ready knowledge, skills, and attributes we believe our learners need to positively impact the world. The ASD Profile of a Learner is essentially what we want our learners to think like and be like to navigate the present and future world.

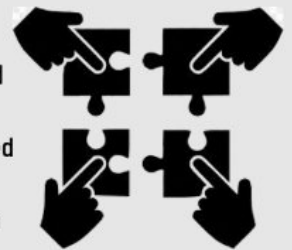

CREATIVITY

- Asking relevant questions (inquiry)
- Pursuing and expressing novel ideas and solutions
- Economic and social entrepreneurialism
- Leadership to turn ideas into action

COLLABORATION

- Social, emotional, and intercultural skills
- Navigating team dynamics and challenges
- Interpersonal and team-related skills
- Working interdependently as a team

CRITICAL THINKING

- Meaningful opportunities to construct knowledge
- Making connections and identifying patterns
- Experimenting, reflecting and taking action on ideas in the real world
- Evaluating information and arguments

CITIZENSHIP

- Global perspectives are invited and embraced
- Commitment to creating an inclusive sense of belonging
- Genuine interest in human and environmental sustainability
- Solving complex and ambiguous problems in the real world to benefit citizens

COMMUNICATION

- Learner voice and identity are welcomed and expressed
- Designed for audience and impact
- Reflection to further develop and enhance communication
- Messages are purposeful and intentional

CHARACTER

- Empathy, compassion and integrity are readily seen in action
- Perseverance, tenacity and resilience are dispositions learners possess
- Proactive stance for “learning to learn” and lifelong learning
